March 3rd, 2018

Dear members of the Godt-families,

because the last Family reunion in July 2014, hosted by Almut and Frank in Jesteburg, is already 4 years ago, Rainer, Beate and I intend to organize another Godt Family Reunion.

Even this Family Reunion shall be open for all branches of the familie. All Godt's are welcome, if they are coming from the danish/ german or the westfalian family. Even all descendant, who don't have the name Godt, but are interested in the family, are very welcome.

Although the newest family researches may tell us, that there may be no direct connection between the Danish / Northgerman an the Westphalian part of the family, as we thought before, this reunion should give us the possibility to strengthen the contact between the Godt's of all areas and make possible new contacts.

We are sending this invitation to the Godt's we know or who we found in public lists.

This reunion will be organised by the persons listed on the top of this invitation. It will be held at the weekend from Friday, July, 13. to Sunday, July 15. in Soest/Westfalia.

The tentative programme and informations about the hotels you will find in the following.

All other information will be updated on the Godt-Homepage  
<http://www.godt.de/Reunion/Reunion2018/index2018.htm> .

**We kindly ask you to make your reservation before May, 30th, 2018, so we are able to see early enough how the registration is coming along. We would like to know early if it will be necessary to change plans.**

**I would like it very much to meet many of you at the reunion and I kindly ask you for a first reply until beginning April, so Rainer, Beate and I may estimate your interest and prepare the things.**

We kindly ask you to forward this invitation to other interested family members, who probably would be interested, but haven't got their invitation directly, because we don't have them on our address list.

**Please send registrations to Hans-Jürgen Godt, at the address seen at the top of this page**

Best wishes to you all.

From

Hans-Jürgen Godt
